D.O. From Government Revenue Department No.745-H/47-2 dated 7th February 1947
Reports from Collectors.

REFERENCE:

With reference to the Demi-official from Government cited above, all Collectors were requested to examine and report what further additional staff would be needed in their districts to get the treasuries into proper order. All reports have been received and examined in detail, excepting those from Madras and Bellary, which are still due.

2. In the case of Anantapur and Tinnevelly districts, the Collectors have stated that no further staff is necessary, whereas in the districts of Vizagapatam, West Godavari and Nilgiris, sufficient additional staff has already been sanctioned by Government.

3. The proposals of the other Collectors are considered now. Among District Treasuries, Malabar is classed as very heavy, Tanjore as heavy, Cuddapah and the Nilgiris as light and the rest as medium. The Board has examined the Collectors' proposals in respect of District treasuries with reference to their classification as very heavy, heavy, medium or light and with reference to the existing permanent and temporary staff working in them in proportion to the volume of work turned out. It has embodied its recommendations in Appendix I to this reference. It requests that the staff recommended by it in the Appendix, may be sanctioned by Government.

4. As regards sub-treasuries there is no information as to which of the sub-treasuries are heavy, which are medium and which are light. It is not also possible to note separately the permanent staff attending to treasury work besides the Taluk Head Accountant and the shroff, as the pay of the entire staff in the taluk office is debitable to "Taluk Establishments". The Board has examined thoroughly the requirements of the Collectors for the sub-treasuries as also the question of retention of the temporary staff sanctioned originally in G.O.Ms.No.550 Revenue, dated 19th March 1946 and requests that the proposals recommended by it in Appendix II may be sanctioned.

SUMMARISING NOTE.

TREASURIES - District and Sub Treasuries - Delays - Checking - Additional staff - Employment - Reference to Standing Finance Committee and the Cabinet - Dispensed with.

The Accountant-General brought to the notice of the Government several cases of delays and irregularities in certain treasuries. He stated that circulars issued by him had had no effect. The Collectors were asked to take urgent and drastic action, where necessary, to get the treasuries into proper order. They were also asked to report whether additional staff was needed over and above the temporary additional staff which had already been sanctioned in the various treasuries to cope with increased work. The Board of Revenue submitted proposals for the retention of the temporary additional staff already employed in the district and sub-treasuries. Orders were issued sanctioning the retention of the posts till 31st March 1948 with the concurrence of the Finance Department as the Collectors asked for very urgent orders.

2. The Board also submitted proposals for the employment of additional staff in certain district and sub-treasuries and for the conversion of certain lower division accountants' posts into posts in the upper division category. The above proposals involved an extra expenditure of Rs.36,742 non-recurring ~~for a po~~ estimated for a period of 4 months. The proposals had therefore to be referred to the Standing Finance Committee and Cabinet for sanction. In view, however, of the extreme ....

3. Copies of this summarising note together with copies of the Government Order may now be circulated to all the Hon'ble Ministers, except the Hon'ble the Minister for Land Revenue, the Hon'ble the Minister for Finance and the Hon'ble Premier, for information.
